THOR 32 Electric Washer

With New Luminoid Cylinder

The Easy, he Sensible the Modern Way to Wash Clothes

Just press a button and start the THOR to work, and the entire week's washing will be done in an hour or so, with no back-breaking and fabric-tearing rubbing.

Deferred Payments if Desired

The success of this new cylinder lies in its unique construcwords, the edges are counter-sunk, punched and besided—in other words, the edges are turned over and then turned in, thus over-casing for all time one of the greatest objections to metal sylinders. In other metal cylinders the holes are sharp and may cause positive injury to the clothes. But the peculiar, smooth construction of the Thor Cylinder leaves absolutely nothing to cause wear or tear while operating or handling.

It is for this reason that the New Thor Luminated Cylinder is far more durable—far more sanitary—and easier on your clothes than any other metal cylinder made.

Sole Distributor for the "THOR" Washer

DELEGATION OF ELKS VISITS WHITE HOUSE

Peoria, Ill., Party, Including Band and Drill Team, Greeted by the President.

President Harding greeted today a the White House the Peoria, Ill., Lodge of Elks, receiving the members of a thirty-five-piece band, a drill team of twenty-seven men and others in his private office.

A parade was formed by the Elks at Union station and the delegation marched to the White House, where a band concert was given, both in front of the White House proper and also the executive offices, previous to meeting the President. The Elks are en route to their national convention at Atlantic City and were entertained by Washington Lodge, No. 15, which met the delegation at Union station and entertained the visitors at the clubhouse last evening. The delegation was headed by William F. Ritz, exalted ruler, and other officers of the lodge were Charles R. Livingston, secretary; William Smith, chaplain, and A. Moll, director of the band. Capt. R. A. B. Brown was in command off the drill team.

Arrangements to meet the President were made through M. G. McCormick of Washington Lodge, No. 15. of the White House proper and also

Personal Tour to Be Made in Company With Health Officer.

A campaign for cleaner alleys in Washington will be inaugurated by of inspection of these by-ways of the city. This will be the first step in a new policy formulated by the Commissioner for acquiring a more personal knowledge of the activities of the municipal government.

His tour of the alleys will be fol lowed by a visit to all of the municipal playgrounds to acquaint himself pal playgrounds to acquaint nimeer with actual conditions on these recreation centers. The Commissioner will be accompanied by Health Officer William C. Fowler.

In answer to inquiry, Commissioner Oyster said his trip would have more to do with the cleanliness of the alley roadways than with the state of alley dwellings. He explained that

to do with the cleanliness of the alley roadways then with the state of alley dwellings. He explained that there is a board of city officials to look after the sanitary condition of dwellings. The movement to keep the alleys of the city clean and sanitary is in line with the interest of the Commissioner in the general appearance of the nation's capital during this period of the year when so many strangers are in the city. In this connection, the Commissioner last week directed Dr. Fowler to enforce strictly the act of Conto enforce strictly the act of Congress which makes it compulsory upon property owners to keep vacant lots free from high weeds, which constitute an unsightly condition in any neighborhood,

HURLED OFF TRESTLE.

Four Killed When Struck by Street Car Near Cleveland.

CLEVELAND, Ohig, July 10 .- Four persons were instantly killed and a fifth was probably fatally injured last night when, while returning from a picnic, they were struck by an interurban car and knocked from a trestle on which they were walkng into a gully forty feet below at Bay Village, near here.
